

ARISE STANDSOFT

ANTI-FATIGUE MAT

By Sylex Ergonomics

Warranty

SPECIFICATIONS

Mat width: 800mm

Mat depth: 500mm

Mat thickness: 15mm

Stand your way to a healthier way of being. The new Arise Standsoft anti-fatigue mat has been specifically designed to work with the Sylex range of Sit Stand desks. The 100% PU moulded mats provide a platform that transfers downward pressure away from the hips, knees, ankles & feet.

Arise Standsoft bevelled edge reduces any tripping hazards. An intricate embossed leafy design distinguishes Arise Standsoft.

Standsoft is the perfect companion to the Arise ACT 2 desks and a necessity to any one standing over any length of time throughout their day.

Reports from new users of Sitstand desks suggest that many people, perhaps unused to standing for extended periods, are prone to a range of lower limb disorders:

- shin splints
- sore calves
- spinal compression
- varicose veins
- swollen ankles and
- associated disorders

A Standsoft mat and a gradual increase in non-seated activity are prudent precautionary measures.
